As listed the Drivers Driver Award was again won by Phil Lock which an amazing achievement winning this award for the 6<sup>th</sup> time. The respect he has earned amongst his peers truly shows. Darren Hickman was inducted into the Hall of Fame with a heartfelt speech by Promoter Mandy Searle. "Darren raced at our first race meeting back in 2008, has been a Series Champion, sponsored us, fielded 2 cars years ago when both himself and his wife Sandi ran with us and is now running 2 cars giving another young gun a chance and watching his son now take the wheel. His support for 360 racing is truly amazing."

Also recognised were all the series loyal sponsors and officials some who have also been with us over the past 9 seasons. Without sponsors and officials like these the Series would not be able to run at the level it currently does.

With the Awards part of the night completed it was time for the BBQ and celebratory drinks – which of course went into the early hours on morning as has become a bit of a tradition for the All Stars family.

Thanks everyone for a fantastic night and congratulations to everyone!!
