

Lock wins the battle Farrer wins the war

In a thrilling night of action Phil Lock was able to stay out of the carnage and take out his first A Main win in 6 seasons. After clearing the scales his emotion was evident with a wing dance.

Farrer meanwhile finished third in the A Main and in the process wrapped up the All Star Series Championship. The normally very light hearted Farrer showed how much this meant to him by the complete opposite and was totally silent in the car taking it all in. Farrer is now the 9th different series champion.
