Seniors hit the surf at Jan Juc

Jan Juc's surf beach was a sea of competitors yesterday as senior lifesavers gathered for the BIG M Senior Summer Surf Series carnival.

Competitors aged from 14 upwards congregated to compete in the state wide carnival in events including the ironman/woman, beach flags, surf boats and the aquacameron.

With competitors from bay and surf clubs across Victoria, Life Saving Victoria's Senior Sport Coordinator Luke Gavin said it was a wonderful day of healthy competition which showcased the immense talent Victoria has to offer. Jan Juc Surf Life Saving Club (SLSC) and Anglesea SLSC were amongst the contenders on the day, however it was Ocean Grove who won by eight points, showing consistent results across the day.

Their wins included the Under 17 Womens Single Ski Relay and Single Ski, the Under 17 Womens Taplin Relay, the Under 19 Mens Beach Relay and the Under 19 Womens Rescue Tube Rescue and Taplin Relay.

This was the last carnival before the 2016 Senior Lifesaving State Championships presented by Big M and Engine to be held at Fairhaven SLSC across the weekend of March 19 and 20..
